## About Us

Learn more about the team!

JujiTSU Ultimate Frisbee exists to provide the students of Truman State University the opportunity to play Ultimate Frisbee in a fun and competitive environment, with a welcoming attitude, regardless of experience or ability.

JujiTSU Ultimate provides its members the opportunity to travel with the team to tournaments to play other competitive teams. JujiTSU also offers Truman State University students a unique athletic experience as a club organization, being that it is one of few club sports offered here that isn't also available to students as a varsity sport.
